/ 2		/ 15		/ 16		/ 33

How it scores. Count your checks: every correct pick is 1 point, once the AP calls it. Uncalled at the end of the night scores zero for everyone. A tie goes to the closest Senate number, then the House number, then the time. Races: every Senate and governor seat Cook did not rate safe, October 20 to 30, 2026.
